PDWT502VII

GE Profile™ Dishwasher with SmartDispense™ Technology

Features and Benefits

- 5-stage filtration with Piranha™ hard food disposer - 5 self-cleaning filters ensure clean dishes
- Dedicated silverware jets - Highly pressurized spray jets target the silverware area for improved cleaning
- DeepClean™ cycle with Steam Prewash - Removes tough, baked-on soils like egg, rice and oatmeal
- Top rack only selection - Upper rack only cycle uses less water than a full load
- Fan assist dry with heated option and ActiveVent - A heating element heats the air inside while a hidden fan circulates the warm air to help dry dishes
- 48 dBA sound level - Nearly silent two-pump system cleans dirty dishes without disruption
- ENERGY STAR® qualified and CEE Tier II rated - Meets or exceeds federal guidelines for energy efficiency for year-round energy and money savings
- Eclipse black full-extension racks with ball-tip tines - Durable racks glide smoothly on ball-bearings for easy loading
- Lower rack fold-down tines - Flexible loading options handle today's dishes and cookware of all shapes and sizes
- SmartDispense™ technology - Conveniently stores up to 47 oz of liquid detergent and automatically dispenses multiple doses in each cycle
- Upper rack deep bowl tines - Even oversized bowls fit perfectly in the top rack for easy cleaning
- Flexible racks - Designed for today's dishes and holds up to 16-place settings
- Two-pump system - One small pump for washing/rinsing and one small pump to remove soils provide excellent wash performance with reduced sound
- Model PDWT502VII - Custom panels required
